§ 3.1602 Special conditions governing payments.

(a) *Two or more persons expended funds.* If two or more persons have paid from their personal funds toward the burial, funeral, plot, interment and transportation expenses, the burial and plot or interment allowance will be divided among such persons in accordance with the proportionate share paid by each, unless waiver is executed in favor of one of such persons by the other person or persons involved. The person in whose favor payment is waived will not be allowed a sum greater than that which was paid by such person. (See § 3.1601(a)(3).)

(b) *Person who performed services.* A person who performed burial, funeral, and transportation services or furnished the burial plot will have priority over claims of persons whose personal funds were expended.

(c) *Partial payment.* Where partial payment of the expenses of the burial, funeral and transportation of the body are made from funds of the veteran's estate and the balance from the personal funds of another person, the claim of the other person has priority.

(d) *Escheat.* No payment of burial allowance or plot or interment allowance will be made where it would escheat.

§ 3.1603 Authority for burial of certain unclaimed bodies.

If the body of a deceased veteran is unclaimed, there being no relatives or friends to claim the body, and there is burial allowance entitlement which is not based on § 3.1600(b)(3), the amount provided for burial and plot or interment allowance will be available for the burial upon receipt of a claim accompanied by a statement showing what efforts were made to locate relatives or friends. The question of escheat of any part of such deceased veteran's estate is not a factor in such a claim. Burial allowance may be authorized for cost of disinterment and reburial of unclaimed remains originally accorded pauper burial but not for initial expenses of a burial in a potter's field. Burial in a prison cemetery is not considered a pauper burial.

Contributions or payments by any other public or private organization such as a lodge, union, fraternal or beneficial organization, society, burial association or insurance company, will bar payment of the burial allowance if such allowance would revert to the funds of such organization or would discharge such organization's obligation without payment.

(Authority: 38 U.S.C. 2302; 2307)

(1) A contract or policy which provides for payment at death of a specified amount to a designated beneficiary other than the person rendering burial and funeral services will not bar payment of the burial allowance to the
